

NEWS FROM THE SUBURBS

WESTCHESTER COUNTY.

YONKERS.

At the meeting of Kitching Post, No. 66 G. A. R., on Wednesday night, it was decided to invite the veterans of the Dutchess Zouaves to be the guests of the post on the evening of November 27. . . . Comrade and Mrs. Harry Evans, of Kitching Post, celebrated the twenty-fifth anniversary of their wedding at their home in Nepperhan-st., on Wednesday evening. Commander Kipp and a number of the members paid their respects to Mr. and Mrs. Evans, and presented a silver cake-basket. . . . This evening the 4th separate Company Veterans' Association will enjoy a dinner at the armory in Waverly-st. . . . Harry G. Pierpont and Miss Roberta Webb Watson were married at Christ Episcopal Church on Wednesday evening by the Rev. E. S. Widdemer, rector of the church. Miss Fannie Watson, sister of the bride, was maid of honor, and Edwin Dies, brother of the bridegroom, was best man. After the ceremony there was a reception at the home of the bride's parents, No. 67 Chestnut-st. After a trip to Washington, D. C., Mr. and Mrs. Pierpont will take up their residence in this city. . . . At the meeting of the Board of Managers of the Young Women's Christian Association this week it was decided to move from the present quarters at Main-st. and Fifth Square to No. 34 South Broadway. . . . The Epworth League of the German Methodist Episcopal Church gave an entertainment last night, in which E. A. Haber, of New-York, Mrs. A. C. Colver, Miss Cecilia Mackey, Pierce Marksville, E. Ahrens, A. Loel and J. P. Ruff took part.

MOUNT VERNON.

The Civil Service Board recently appointed to conduct all examinations for municipal officials for the city of Mount Vernon met and organized on Wednesday night. John Berry, a Democrat and the present Assemblyman from this district, was elected chairman, and W. G. Clark was elected secretary. The board is composed of two Republicans and one Democrat. The first examinations to be made will be for appointments as street inspectors, and the candidates will be ordered to appear next week. Some of the members of the Board of Aldermen, which is more than two-thirds Democratic, have been inclined to treat the new rules with indifference. They were warned that, while the appointments might be made, the appointments could not draw any pay unless they were appointed under Civil Service rules. One man was appointed recently, and when one of the Democrats Aldermen was informed that it was irregular and the man could not draw his salary, the Alderman said: "The Civil Service rules be damned, I know what I'm about." Since then the Alderman has had to admit that he was wrong in his advice to the appointee. . . . The Republicans are arranging for a big meeting on Monday night at the State ticket, and one of the speakers will be General Stewart L. Woodford. Noel Blakeham, the chairman of the City Committee, hopes to see William H. McHenry also, and addressed a letter to him yesterday asking him to speak to Mount Vernon people on the issues of the campaign.

WHITE PLAINS.

The annual meeting of the Westchester County Historical Society will be held at White Plains on October 30. The society will meet in the Grand Jury room, in the Courthouse, at 10:30 o'clock in the forenoon for the election of officers and the transaction of other necessary business. At 12:30 o'clock a luncheon will be served to the members in the hall of the store of J. T. Lockwood, in Railroad-ave. A public meeting will be held in the Supreme Court room at 3 o'clock, when the annual address will be delivered by Dr. Frederick C. Gedney, of New-York City. His subject will be "The Neutral Ground." Albert Badeau, a wealthy resident of New-York, died in London, leaving a large estate. The residuary legatee and executor was John E. Badeau. Three of the legatees, entitled to \$5,000 each, applied to the courts to compel him to pay over to them. In addition to the legacy \$5,000 in interest, Judge Isaac N. Miller, of Westchester County, who represents the executor, opposed this action before the surrogate court, at White Plains yesterday, contending that the legatees drew interest at the end of the year from Mr. Badeau's death, it being stated that the legatees should not be paid until that time. The surrogate decided that the legal interest must be paid from the death of the testator, but that the legatees should not be paid until the estate was settled, and that they were intended as a fund from which an income should be paid for the support and maintenance of the legatees.

NEW-JERSEY.

ELIZABETH.

Against "Church Lotteries." The Union County (N. J.) Grand Inquest for the October term finished its work yesterday, and turned in sixty-eight indictments against the county, besides a presentment against church lotteries, which results in part as follows:

We cannot close our eyes to the fact that it has become a prevalent evil among many churches, clubs and various organizations of this county to raise money for their purposes by means of what the law has clearly adjudged to be a lottery, especially is this so at this particular season of the year just before our election. Men holding public office, those who have been placed in nomination by the various political parties for office, as well as citizens at large, are tempted by not only officers of these organizations, but also by women and children who are sent out to peddle the tickets. We feel assured that many changes in this practice, while not knowing they are violating any law, while others know it to be illegal, and simply rely upon the excuse that a charitable end justifies an unlawful means. We believe that churches, clubs and societies formed for the purpose of improving the moral tone of their members or patrons are the most flagrant offenders against lottery laws in our county. In order to keep such practices out and to give ample notice to all of our citizens that those who engage therein are liable to indictment, we have determined to make this sentiment and refrain from presenting indictments.

JERSEY CITY.

The Women's Christian Temperance Union of New-Jersey held its third session yesterday in the Bergen Reformed Church, at Jersey City. The day was devoted to routine work and county reports. The annual election resulted in the re-election of Mrs. Emma Borden as president, and Miss M. J. Demarest, receiving 64. The convention closes this afternoon. The Board of Works of Jersey City yesterday received only one report from the Board of Health, of New-York, experts to examine and report upon the water specifications adopted recently for procuring a new water supply.

NEWARK.

The police of Newark are much exercised at a rumor that there is an alleged plot among the striking hatters to blow up with dynamite the hat factory operated by J. L. Kridel & Sons, in Beacon and Jones sts. The building is a large one, and runs through the entire block. Fearing that there might be something in the rumor, Captain Bergen, of the Fourth Precinct, with a squad of men, kept a cordon around the factory all Wednesday night, yesterday and last night. The engineer of the factory says he was told of the alleged plot by a friend, who had overheard the strikers planning it. The strikers say it is ridiculous.

THE SALVATION ARMY CELEBRATION.

The Salvation Army yesterday celebrated the fourth day of the American Jubilee Congress with Field and Local Officers' Councils, in the Association Hall, Twenty-third-st. and Fourth-ave. Outsiders were admitted, and everything passed off quietly. At 10:30 a. m. General Booth spoke before staff and field officers only; at 2:30 o'clock in the afternoon, before staff, field, local officers, and all recruits. The recruits included the members enrolled Wednesday at Cooper Union. The general's remarks were confined chiefly to routine affairs and spiritual advice. He was assisted by Commander Booth, Mrs. Booth, Colonel Lawley, Brigadiers Brewer and Koppel. To-day the private council will continue in the Church of the Strangers, Eighth and Mercer sts., conducted by the General at 10:30 a. m., 2:30 and 6:30 p. m. The first two will be for the benefit of staff and field officers; the last for staff officers only.

Harder to increase trade in clothes for knickerbocker boys than in any other department of a clothier's business—more competition. "Everybody" sells boys' clothes except hardware stores, and some day they'll be advertising patent aluminum suits with reinforced seats and knees.

Besides outside competition our boys are continually graduating into youths and men. The same families won't furnish boys indefinitely, so we have all the while to keep finding new boys to replace the growaways.

Then again many parents imagine that a boy ought to be dressed for a quarter the cost of dressing his sister. They read advertisements of boys' suits for \$1.98, \$2.49, &c., and try them, generally resulting in the boys' discreditable appearance. Even people who go to a first-rate clothing store for their boys' clothes often begrudge paying as much as is necessary to get real nice things.

We are going to revolutionize our boys' clothing trade by putting it on a basis as novel as it ought to be effective.

Henceforth we shall sell clothes for knickerbocker boys without profit.

This means good clothes with only enough added to cost of material and labor to cover the expense of delivering them to you—not a dollar of profit for ourselves; we'll wait for profit until the boy begins to pay for his own clothes.

The entire stock of boys' wearables—clothes—furnishings—hats and shoes—has been marked to accord with this idea.

You are invited to look.

AFFAIRS IN BROOKLYN.

THE WILL OF SAMUEL BOOTH. The will of Samuel Booth, former Mayor, was filed for probate yesterday. It is dated March 7, 1891, and disposes of an estate of \$8,000. The testator's interest and goodwill in the building business at No. 79 Myrtle-ave., and the building at that number, are left to his brother, Colonel W. C. Booth, who is also to receive \$2,000 in cash. A bequest of \$500 is made to endow a bed in the Methodist Episcopal Hospital. The sum of \$500 is left to the surviving issue, in days, as a memorial to the testator's mother. The rest of the estate goes to the sister of the testator, Julia A. Booth, of No. 30 South Portland-ave., whom he lived for her lifetime. After her death it is to go to nephews and nieces in sums of from \$500 to \$1,000.

A MERCHANT ARRAIGNED FOR ABANDONMENT.

Joseph Fox was arraigned in the Adams Street Police Court yesterday upon a charge of failing to support his wife, whom he deserted in Brooklyn, Canada, four years ago. He is sixty-five years old and has a shoe store at No. 28 West-ave. Seven years ago, when he was a widower with seven children, he married the present Mrs. Fox. He had a year just before our election. Men holding public office, those who have been placed in nomination by the various political parties for office, as well as citizens at large, are tempted by not only officers of these organizations, but also by women and children who are sent out to peddle the tickets. We feel assured that many changes in this practice, while not knowing they are violating any law, while others know it to be illegal, and simply rely upon the excuse that a charitable end justifies an unlawful means.

We believe that churches, clubs and societies formed for the purpose of improving the moral tone of their members or patrons are the most flagrant offenders against lottery laws in our county. In order to keep such practices out and to give ample notice to all of our citizens that those who engage therein are liable to indictment, we have determined to make this sentiment and refrain from presenting indictments.

IN AID OF THE PLEIAN MISSION.

An interesting entertainment was given in the Poughkeepsie last evening in aid of the Brooklyn Women's Indian Association, to meet expenses incurred in connection with the Pleian Mission in Northern Montana. The special feature was an Indian entertainment with about sixty young men and women in full Indian costume. Characteristic tableaux and other representations of Indian life were given. Four tableaux were presented from the Song of Hiawatha. Music and dancing followed the entertainment. It will be repeated this evening.

GATHERED ABOUT THE TOWN.

This is the third day of registration. Republicans, register to-day! The books are open from 7 a. m. to 10 p. m. The Rev. S. G. Welsch, who was recently installed as pastor of the Evangelical Lutheran Church of the Redeemer, met a painful accident on Tuesday, while visiting the Brooklyn Navy Yard. He was inspecting the various places of interest when a gust of wind blew a small piece of steel into his eye. The pain was intense, and after a night's suffering he went to a specialist on Wednesday and the piece of steel was removed. He is confined to his home, No. 23 Rodney-st., but says he will be out in a few days.

Alfred F. Jones, as referee, reported yesterday that W. N. Lyman had administered his receivership of the Commercial Bank economically and well. He had collected \$55,139.58, and had paid out \$53,977.75. The creditors have received 72.3 per cent of the sums due them. The amount of \$3,781.39 for expenses is allowed.

The West Brooklyn Land and Improvement Company has secured a loan of \$20,000 from the Mutual Life Insurance Company upon its property between New-Utrecht and Fourteenth aves., running from Fort to Sixth-st., comprising about 1,000 lots. William P. Suydam, the head of a Philadelphia trust company, is president of this land company, and the money is to be spent in improving its property. The loan is for three years, at 6 per cent.

The Thirty-first Ward will have three paid fire companies organized out of the present Gravesend volunteer fire department. The two engine-houses now existing will be rented by the city, and a third one built. There will be twenty-one men, who will receive \$300 a year each.

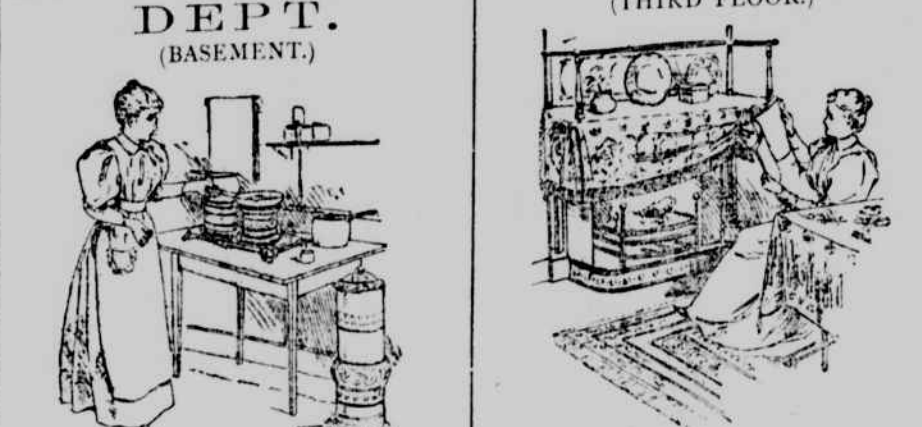

The police have stopped a gambling game in the basement of the new 13th Regiment Armory, in connection with the fair now in progress. Frank Barlow secured the privilege of a jewelry prize table by paying \$10 a night, but it was found that the jewelry prizes were not distributed. Instead of this, the players put their money in the compartments and turned an indicator, and if they won received double the sum they ventured. When the police observed the nature of the game it was stopped.
